Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Regularly maintained and operated! Sails and rigging in serviceable condition!

This is an Ericson 29 masthead sloop rig, a recreational coastal cruiser that is capable of doing some offshore cruising as well.

The boat is equipped with a steering wheel helm and auto helm. The cockpit is large, spacious and covered with two bimini tops. Custom cushions for cockpit seats are on board as well.

Sale inventory includes the mainsail and two roller furling genoas. All sails are in good condition with plenty of life left in them.

Down below, it's nicely appointed with everything needed in a coastal cruiser with a sleeping capacity of five people. The galley has a propane camp stove, icebox and sink. The main salon area has comfy

seating with a large folding dinette table that stows away when under sail. It also folds down to a double bed. The other sleeping areas are the berth and quarter berths beneath the cockpit.

The original Universal Atomic 4 engine was replaced with a Universal three-cylinder diesel.

This Erickson is nicely priced and will sell quickly, so get those offers in now.
