Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. As far as offshore fishing is concerned, the Four
Winns Quest 257 may be one of the best instruments
available. Featuring a broad beam and a deep and
open cockpit, this Walkaround Cuddy offers
generous space and enormous under-floor storage
area.

Add to that a large rigging locker, port and starboard
fish boxes with pump-out and it gives this boat
everything you need for an enjoyable and productive
day on the water.

Powered by twin 150 Johnson engines, the boat has
an integral fuel tank capacity of 250 gallons, which

allows for an extended range of operation.

A canvas enclosure offers protection from the rain, and the cabin has a V-berth that sleeps two comfortably and a full stand-up head.
