Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This vessel was SOLD on August 23.

This Chaparral 226 SSi Wide-Tech is the perfect boat for watersports, cruising the islands, or hitting the sandbar! The boat is nicely updated and is available for sale.

Bring friends and family because the Chaparral seats up to 12. Guests can spread out, the Wide-Tech format creates extra room in the bow, and the large sunpad and swim platform with SeaDek make great places to hang out while at anchor. The aft sunpad section flips up for entry from the stern of the boat, keeping the seats in good shape where guests are boarding and leaving.

The Chaparral is updated with a Clarion sound system, Wet Sounds speakers, and a 10\'' amp! The sound system is Bluetooth and Sirius/XM

compatible. The ingenious design has mounts for a cockpit table at the bow and in the cockpit. The table stows in an aft compartment, out of the way when the watersports are raging.

****The wakeboard rack includes a bimini shade and folds down with hand-turn bolts.**

This one is powered by a Mercruiser 4.5L MPI engine with 250 HP. The boat comes with a custom Subrella bow and cockpit covers and a tandem-axle trailer included in the boat sale.
