Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The model is a 2897 Mariner. A/C and heat, twin 220hp 5.0 Mercruiser engines paired to Walter v drives.

This Carver 2897 Mariner is the sister of the 2827, the difference being that the Mariner has the galley and head forward and no lower helm, thus making it roomier inside.

The flybridge controls the twin 220 HO Mercruiser 5.0 Inboards thru the Walters V-Drive. Seating for six is provided there.

Cruising speed is a respectable 25 MPH with a top end of around 34 MPH. Fuel consumption is about 13 gals/hr.

There is plenty of seating in the salon and the head

compartment is large for a 28-footer.

The galley boasts a stove, refrigerator, sink and microwave.

The aft deck still has plenty of room for your swimming and diving activities.
