The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Low Hours Bowrider-Deck Boat, America's Favorite Seats a Family, Mercruiser Bravo Three Outdrive !!

Summer would not be the same without a Sea Ray 240 Sundeck, America's favorite reliable deck boat. Known also as a spacious bowrider with the best views designed with curved freeboards and styled for lake cruising. This Sundeck sports only 175 freshwater hours!

Sea Ray does not disappoint with three pull out sprayers available for the whole boat. The mid ship has the enclosed head for all day convenience. A walk through windshield with a wind door provide a place without the elements on a cooler day.

The cockpit seating is long and roomy with wide bench seat and L-Shaped lounge seating. There is

the expected storage underneath the seats. A wet bar behind the Captain's chair provides room for beverages and food supplies.. which means out of the way and more room to ease from bow to aft.

This Sea Ray has been serviced, water tested, and ready for new buyer. You will be impressed with its condition. And how stunning it will look on the water.
