Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Ready to hit the water!

This is an almost new Yamaha FX SVHO LIMITED
with Triton trailer. It has never been used. The
dealer ran the ski for 30 seconds to ensure it was
fully built and functional.

The seller purchased the ski on November 19th,
2021. It came with additional add ons such as: 2
Marine FX waterproof Bluetooth speakers, a Garmin
Striker 4 GPS, a tube holder accessory, a contour
fender, a factory cover, and a soft side cooler.

The FX Series WaveRunners come with a massive
166.6 liters of storage. This includes a larger and
fully watertight glove box, under-seat storage
bucket, rear stern rope storage, and enlarged storage

area under the front hood.

The FX models come with a 4.3-inch color LCD touch screen instrument panel which provides increased fuel information, drive controls, diagnostics and screen customization at your fingertips.

Also included is a 2022 single-axle Triton trailer that was only used to drive the ski home from the dealer and then parked in the garage, the owner confirms.

It has been safely secured in the garage since purchased.
