Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2003 SEA ARROW V 200, get up and go to your  
favorite fishing hole FAST!.

SEA ARROW is a Texas-based boat manufacturer  
which started boat building in the mid-1970's. No  
longer in business, but the SEA ARROW was  
known for building recreational fishing boats and  
featured effective power or stern drive marine  
engines.

This boat is powered by a Volvo Penta 4.3L engine  
with tons of power to move the boat at exhilarating  
speeds. The new VOLVO-PENTA engine was  
professionally installed in October of 2019. Since  
installation, the engine has been used approximately  
3 hours.

Rigged for fishing, the boat includes a Minn Kota  
trolling motor with foot control pedal, Lowrance  
fishfinder, pedestal-mounted front swivel chair, bait

well, rod storage, and more!

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](https://WhereFreedomTakesYou.com) to learn more.
