Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

***** CERTIFIED SINGLE
OWNER *****

This beautiful, one owner Southwind sets itself apart from other deck boats on the water by having a carbon fiber and Kevlar reinforced hull with no wood to rot. This one has had light use and is kept inside a high-and-dry warehouse when not in use.

The powerful 150-horsepower Mercury four-stroke outboard motor has less than 80 hours of run time and the great balance of space on deck with plenty of seating makes for the ideal day boat and fun on the water.

This has a nice bimini top for shade, a forward live well, a changing area with a pump-out head, and a

freshwater sink and shower system for rinsing off any saltwater.

A bright, color Humminbird Helix 5-inch GPS/sonar display is installed at the helm.

Includes the pictured dual-axle aluminum trailer too!
