Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Custon Harley Davidson Themed Boat, Volvo Penta 5.0 GXI Fuel injected Motor, Ski Tower with Wetsounds Speakers

The Original Owner of this Reinell 220 LSE had the boat custom painted and added graphics and Harley Davidson patches when he had the custom upholstery installed, which also includes ostrich textured inlays.

This Reinell is hard to beat for fun days on the water, with its bow seating forward bench seat, and captain's chairs, there's plenty of room for everyone and your gear.

There's a Beach ladder forward for easy access from the front, while the transom walkthrough, aft saves your upholstery from wet feet while boarding.

The large sun pad over the engine compartment is a great place to catch some rays while enjoying the amp-driven Kenwood with tower speakers and two subwoofers.

There is a virtually new snap-in carpet for the boat and a form-fitting cover.

This is a fun fast boat that will capture the attention of Harley fans everywhere.

Please give us a call if you'd like to see the boat in person.
