Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Custom Houseboat. Completed in 2020. 200 sf  
interior with many options.

The HOME BUILT tritoon is built on a set of SUN  
TRACKER 22\" pontoon and is reported to be 10'  
X 34' 08\" in length.

Powered by a 2000 model MERCURY 50 hp  
4-stroke engine. The engine is said to operate very  
well. Hours are unknown.

The living area is an estimated 200 sq ft welded  
frame construction and is fully insulated. A new  
elastomeric roof application was added in 2020. The  
aft deck is partially enclosed with a welded roof that  
houses the onboard head.

The seller installed solar voltaic panels which are  
rated at 850 watts and are connected to 300AH  
lithium iron \"smart batteries\".

Amenities include an 11 cu ft refrigerator/freezer which is powered by a 120 volt AC from a 2000 watt sine wave inverter. All other lights, fans, and plugs are 12 volt and hard-wired. The LP wall heater is an 1800 BTU by \"Mr. Heater\". The seller tells me with the insulation, the heater keeps the space warm, even in the cold NE.

Other features include a 22\" LCD Television with a built-in DVD player. There is also 30-gallon fuel storage, wash down pump which is plumbed fore and aft, plenty of windows for enjoying the views, and the interior is finished with T&G North Idaho knotty yellow cedar.

The seller reports that the boat is more of a floating lake cabin which he does not use for cruising. The seller also has a place in Northern Idaho where the boat could be moved to and docked for a monthly fee.
