Sea Ray is one of the boating industry's most
recognized names. The 300 Sundancer is one of the
reasons why. With an overall length of 33 feet and a
10' 6" beam, the 300 provides a spacious deck and
salon.

With the full camper canvas, you will have a large
space for entertaining or simply escaping the
elements.

Below you will find a mid-cabin design that
provides a very inviting environment. With a
well-appointed galley and the convertible settee, you
have the space you need for entertaining.

With the forward berth, convertible settee, and the
mid-cabin, you can sleep 6.

This boat has air conditioning so you can spend all day and night on the boat in comfort.

She is well-equipped with options and offers plenty of overnight accommodations. The boat's low-profile arch and sculpted lines make for a sporty look. A filler converts the U-shaped cockpit seating aft of the helm into a large sun pad. Additional features include a walk-through transom, bow pulpit and good engine access.
