Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This Sabre 38 Mark I has a great layout for cruising with guests or living aboard. She has the Classic layout.

She has a comfortable forward stateroom with V-berth. Moving aft, the head is to port, and large hanging locker is to starboard. The air conditioning unit is in the hanging locker.

A separate area for the shower makes the head feel large. The wood grate floor adds a warm feeling. There is plenty of storage space for toiletries.

Moving aft, there are two settees, a dining table that can be stored out of the way, and cabinetry for storage.

Moving aft, the galley is to port, the nav station to

starboard, and the quarter berth beyond the navigation station.

The navigation station has an older radar unit, but the seller has a new unit for the buyer.
