Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Well MAINTAINED NO EXPENSE SPARED.
MANY UPGRADES.

Highly desirable 2002 Wellcraft 330 Coastal with
low hour engines. Boat is very well equipped and
ready to fish or cruise

Very attractive Wellcraft 330 Coastal that is in nice
shape overall and shows only moderate signs of use.
Helm is well equipped with dual GPS/Plotters, trim
tabs, VHF and remote controlled windlass.

Electronics include Raymarine E97 MFD With
Built In Fishfinder, Raymarine E95 MFD,
Raymarine Evolution Autopilot Kit ACU 200,
RD418HD 4kW 18" HD Digital Radome Raystar
130 GPS Antenna and Raymarine T253 Thermal
Camera

This model was aimed at splitting the difference
between a fishing boat and a cruiser, and it

accomplished its goal exceedingly well. While the 330 Coastal has an open cockpit aft for angling, more emphasis was placed on the accommodations than is usual for an express-style fishing boat.

The cabin is relatively large, with a full galley, an enclosed head, a dinette, and a full berth forward. There is a large berth forward in the main cabin, and there is also a convertible dinette. The cabin is clean and dry showing only minimal signs of age.

The helm deck is also substantial, with dual bench seating at the helm and passenger's side. Fishing consoles are present both port and starboard, with a live well and a rigging station. The boat is also equipped with a full bridge enclosure with canvas and isinglass and rear drop curtains.

Other fishing equipment includes gunwale-mounted rod holders, under-gunwale rod racks, outriggers and twin fish boxes built into the deck.

The spacious cockpit has plenty of room for anglers or deck chairs and also has coaming bolsters. The boat is equipped with a wide swim platform and a transom door makes accessing the platform easy. Additional equipment includes Hurley Davits to handle dinghy w/ outboard and Valve installed on sea strainers to ease in winterization and fresh water flushing.

This great boat is currently available in Mystic and is ready to hit the Fall fishing season or to take you cruising wherever your heart desires.
