About Us: POP YACHTS SALES  
Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Big, Strong, Fast, Roomy, Classic Sportfisher ready  
to hit the high seas! Well maintained

The \"Comfort Zone\" is a perfectly proportioned  
luxury yacht and sportfish. The actual boat on the  
cover of boating magazine in January 1993 is this  
vessel.

Built on a solidly constructed vee-hull, this 42'  
Onset is optimally designed for comfortable offshore  
cruising and with a 14' beam and 120 square feet of  
cockpit space, provides an extraordinarily stable  
fishing platform. With twin 350hp Detroit's she will  
top out around 27 mph with a cruising speed of 21  
mph. Having full engine controls on the main deck  
makes it easy for you to single hand her.

Carefully peruse the features on this vessel - a fully  
enclosed flybridge equipped with an excellent

complement of electronics, a large cockpit equipped with tackle storage, bait stations and secondary throttle controls, a large salon with a full galley and comfortable seating, two staterooms and a full head with spacious shower. Beautiful and flawless teak throughout.

By definition, a convertible or sportfish boat is designed to give the yachtsman and his crew the best of both worlds - luxury accommodations and also a capable fishing vessel. The Onset certainly does not disappoint in either characteristic. The non-fishing passengers and crew will be as comfortable on this boat, if not more so, than they would in a cruiser that was strictly built for meandering from point A to point B.

The \"Comfort Zone\" has function! She is equally competent when catching a 400 pound tuna as she is when entertaining a large number of guests.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.

Please submit any and ALL offers - your offer may be accepted! Submit your offer today!

Reason for selling is downsizing to smaller boat.
