Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Low hours on Yamaha 200 HP engine! Two Garmin GPS-fishfinders, trailer included, teady for the water today!

The Sportsman 227 is a fantastic hybrid boat, giving you the best of both a relatively shallow inshore fishing boat but with many features and the capability of an offshore boat!

The boat is perfectly set up for fishing with three total live wells, two at the stern and one in the center console seat forward. For spot holding and slow-speed maneuvering, the Minn Kota trolling motor will let you sneak up to your favorite spot and then hit the Spot Lock button to hold you by GPS to the exact spot you want to fish. For shallow water holding, the twin power poles will silently hold you in place as well!

When you just want to cruise, the large front casting deck converts to additional lounge seating. This, in addition to the two comfortable helm seats and the huge rear bench brings the total seating capacity up to 8!
