Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This beautiful 2015 Carolina Skiff 258 DLV is
located near New Orleans, LA in the town of
Destrehan.

Carolina Skiff is well known for the wide, shallow
and solid hull that can take a pounding. Because of
their long-lasting ability to withstand hours of daily
use, they are among the top selections by coastal
commercial fishermen everywhere.

This unit was built with the sport fisherman in mind.

The wide 8' beam is perfect for bay and lake use.
The minimum 6" draft is great for fishing flats and
shallow areas, while the overall size easily takes the

chop in open bays and lakes, on windy days.

The boat has a well-planned layout. In the rear of the boat, there is a raised casting area with recessed compartments for batteries and electronics, access to the bilge, deep storage with drains, and live well. There are also two comfortable fold-down seats.

The center of the boat has a well-cushioned leaning post with stainless steel hardware and rod holders.

The center console has a stainless steel steering wheel, trim tab controls, Lowrance, and large gauges. Under the leaning post is storage space for a 45-quart ice chest.

In front of the console is a well-cushioned seat with cushioned back rest.

The step-up bow has a large casting platform with recessed compartments. There are 2 large storage compartments with drains and an anchor locker.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
