Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The Yamaha 242 stands out among other boats in its class, with its unique, rear rumble seat design it has comfortable seating for 11 due to not having an engine box to work around.

It feels much larger than its 24 feet, and with the explosive power of twin 1.8 liter high output engines, the 242 Limited S stakes luxury with performance and delivers industry-leading 0-30 MPH acceleration and greater top speed performance than comparable stern drive models.
