decked out to do everything on the water great.

On the fishing side, you have 25-rod holders to lay
all the lines you and your guest want. A side door to
easily bring in any catch. Two live wells to bring all
the bait needed for a long day on the water. One is

captain's bench. There are lots of storage
compartments for tackle and fishing gear. To
complete the fishing set up a big fish box on the bow
to keep to catch cool.

On the cruising side, there is no center console with these amenities. Starting at the stern, 2 foldable benches allow for great capabilities either for seating or just open space in this area. There is an extra seat right by the transom door. Your battery switches are right by the transom door ideally located for easy access. At the helm, the captain's bench comes with bolster seats and armrests on each side. There is also a footrest for more comfort. At the bow, a full seating area with backrests and a small cooler for beverages in this area.

The helm is well laid out, all the accessory switches are easy to reach, as well as the electronics are right in the line of sight. There is an electronic hatch in the aft area that gives you access to the batteries and all the bilge equipment.

The beautiful light blue color outside and the beige and white inside, make this boat stand out everywhere it goes. Beautiful and versatile are the main characteristics of this boat.
