About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Well Maintained Crownline w. A/C! Two Berths,
Plenty of Seating, Trailer Included!

Bring Offers! Fresh Water Boat from Colorado!

This 2006 Crownline 270CR, located in Bradenton, Florida, was in freshwater for 99% of its life. She was brought down to Florida from Colorado and only used in saltwater a few times and less than approximately 10 hours.

The 270CR is a well-laid out boat with many creature comforts. There is a full swim platform with a ladder. A sun pad/bench seat with a swing backrest allows forward or reverse seating. The passenger seat is a recliner style seat that faces aft. A radar arch with a large bimini top provides ample shade. A freshwater sink and cooler storage is located on the port side.

Down in the Air Conditioned cabin there is a V-Berth and aft berth to accommodate up to (4) adults. Additional features include a full galley with a refrigerator, stove, microwave and sink. There is No Generator so A/C can only be used when on shorepower.

This 270CR is powered by a Mercruiser 350 MAG with 300hp.

A double-axle STEEL trailer is included. The tire age is 2010, so they would need to be checked and possibly replaced before a long haul.

Current known issues are the vinyl has black stains from mold that may or may not come off with a cleaner. The A/C does not blow cold and needs to be serviced. The trim tabs are not working but are only two years old. Seller will be having the trim tabs repaired as they are imperative to getting this boat on plane easily.

To make an offer or setup a showing please make sure to enter stock# 292410 when calling or emailing.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
