Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. This is a great example of a freshwater Fairline
Phantom 48, ready of the next lucky owners!

Beautifully-styled, spacious layout with wonderful
appointments, as you would expect from Fairline,
she is certainly worth consideration. The main salon
has a large comfortable sofa area with a cocktail
table that easily converts to a dinner table
electronically with seating for eight. The
hand-crafted woodwork throughout is a sight to
behold setting the mood for a relaxing time onboard.

Below deck, the theme continues with a full beam
central master stateroom that hosts an oversized
double bed, plenty of headroom and triple portrait
windows. This is complemented by a private
en-suite head and generous closet storage space.

The forward double stateroom also has plenty of storage and is equipped with an en-suite as well. One more stateroom that is set up with a bunk style for guests can be converted into a storage or changing room.

Up top, there is plenty of room to join the captain on the bridge enjoying the sunshine with a wet bar and refrigerator while marveling at the performance that Fairline is known for.
