This 2021 Yamaha AR195 jet boat is in great shape and its good looks, performance, and technological advances make it both fast and comfortable.

The Single Supercharge four-cylinder, four-stroke, Super Vortex High Output Yamaha Marine engine is the top performer in jet boat technology. With speed and comfort, this is a family-friendly water sport vehicle ready when you are.

This jet boat is practical, economical, and comfortable from bow to stern. The bench L-style seating has plenty of storage underneath. There are grab handles both fore and aft but with its sporty handling at running speed, there is not always a need to use them.

Jensen stereo system with speakers all around including blue tooth capability, gives outstanding sound both while cruising or parked at your favorite

swimming hole.

The adjustable captain's chair swivels 180 degrees to aft and a removable table with a pedestal makes it easy to entertain. The rear bench seat center seat back is removable and makes easy access to the rear swim platform.

The swim platform has soft foam and two levels, one where you can put your feet in the water and one a bit higher with wrap-around backrest to enjoy an aft view. There is also a pair of grab handles and a ladder to make easier access back into the boat from the water.

This jet boat is comfortable and luxurious for family and friends and will provide hours of fun and excitement on the water.
