The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

The seller bought the boat about 5 years ago, he has  
always stored it inside. He thought he would fish  
and just enjoy the boat, but life gets in the way.

For fishing, the live baitwell comes in handy.

Sleeps a crew of 3. Livewell, sink and cutting  
station, mini fridge and head. All speakers and lights  
on board are functional.

This is a fast, capable 23-footer, well worth  
considering if you don't have the budget for a boat  
that can cost more than the average house.

Angling features in the 2359 Walkaround include  
twin sub-deck fish bins, plumbed live bait tank,

quality rod holders and gaff rack.
