Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Sports tower with tower speakers and board racks, sound system with amp, room for 12 riders and PCM Excalibur power!

Get ready for the experience that only a watersports boat can provide. This Air Nautique 226 Team Edition is designed to make an unforgettable summer for family and friends, and it is available for sale near Birmingham, AL!

At almost 25' in length, this 226 is made for riders and revelers as much as it is for surfers. The expansive deck has seating for its 12 riders with L-shaped cockpit seating, a long spotter seat, and more seating at the bow. The smart design includes a walk-through transom so the party isn't stepping on the sun pad to get onboard.

At the business end of this impressive boat is the

PCM Excalibur engine which accelerates this boat at exhilarating speeds and can motor above 45 MPH when it wants to. The custom sports tower is home to four tower speakers, board racks, and an integrated bimini shade. This boat has ballast to throw big waves!

The boat includes 226-branded non-skid carpets and a custom-fit dual-axle trailer.

Don't let this one get away! Call or email with questions, or to make an offer to hold the Air Nautique!
