Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Repowered with a 2023 Suzuki 250 engine! Includes
underwater lights and updated interior upholstery!

A very nicely maintained 2002 Robalo R235
Walkaround equipped and ready for Spring fishing.
Set up with a Suzuki 250 4-stroke engine with only
100 hours.

A great-sized boat. Big enough for family or friends
but small enough to manage single-handed. Also
easily trailered by most trucks and many SUVs - a
great opportunity to try out that new spot you've
been wanting to for years.

Nice open cockpit with in-deck fish boxes, jump
seats fore and aft and loads of rod storage. Also has
a nice rear bench seat at the transom with a large live
well inside. Nice room to work fish for multiple
anglers without falling over each other to do so.

A nicely laid out helm with good all-around visibility and all of your controls readily at hand. Trim tabs, windlass, GPS-plotter-fishfinder and VHF equipped - everything you need to get out confidently in a wide range of conditions.
