Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

31 Sedan Bridge powered by twin 315 HP Yanmar
diesel engines!

The Mainship Sedan 31 is a boat with many great
features for cruising, fishing and staying overnights.

The twin diesel Yanmar 315 horsepower engines are
a very desirable package. The 4.2-liter engines are
compact with a high output compared to the
competition. The smaller displacement engines will
allow you to sip fuel while underway. They are
matched with ZF V-drives to make the engine
compartment compact while gaining additional
space in the salon.

The cockpit has plenty of room for fishing or
entertaining. There are two bench seats, with storage
on the port side and a fish box on the starboard side.
There is easy access to the cockpit, from the sturdy
integrated swim platform.

There are rod holders on the gunnels, rocket launchers on the transom and over the sliding doors. You have plenty of options to make your spread. Drag the big ones in through the transom gate.

The steps are a great feature for safety for all. They provide easy access to the roomy bridge. The captain has a nice wide seat to share and there are two corner seats providing a great view for your guests.

The captain has a well-laid-out helm. Electronics consist of radar, GPS-sonar, autopilot and a VHF.

This boat can be singlehanded. The bridge has a front panel that lowers, allowing easy access to the bow for docking or it can be used for passengers to enjoy the view from the bow.

Step down into the spacious, full beam salon. The galley is to the port and is equipped with a stovetop, microwave, sink, countertop, refrigerator, and a working ice maker.

The large seat can hold several people. The convenient island has storage, can be used for a table and provides a platform to make another berth. Entertainment is provided with the TV and stereo with a powerful amplifier.

There are two bunks to the port side mid-ship. The cabin has a storage closet, drawers and rod holders. The head is to the starboard side and has a private entrance to the forward stateroom. The forward stateroom has a large cozy bed and storage.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](https://careers.popsells.com) to learn more.

Please submit any and ALL offers - your offer may be accepted! Submit your offer today!
