This 2022 NauticStar 203DC, powered by a 150-hp
Yamaha motor, is a great boat for the entire family.
With only 53.4 hours on the motor, she has not yet
broken in!

This boat has fish and ski packages, so it's
well-equipped for the entire family!

With plenty of seating for ten adults, you can bring
family and friends while you enjoy your time on the
water. The boat even comes with a built-in cooler.

There is a cockpit table that is handy when enjoying
food or beverages. It can also be stored under the
seat when not in use.

There is also a removable chair that goes in the front of the boat. This boat is prepped for a trolling motor as well; all wiring is there, and there is plenty of space for batteries (two come with the boat). There's also a 20-gallon live well/bait well.

You'll have easy access when getting in or out of the boat, as it has a bow ladder, stern ladder, and swim platform. There is also a ski pole to make it easy for skiers and wakeboarders to tow.

You'll appreciate this boat's layout, which provides great seating options for everyone, including a bow filler that converts the front of the boat into a sundeck.
