Shamrock 270 Open CC Fishing Machine!! 385 HP
Inboard Sea Maxx Engine! Enclosed Head!

The 2001 Shamrock 270 Open is a versatile and rugged center console boat designed for the avid angler! Stepping aboard, you immediately notice a spacious deck, offering ample room for movement and fishing activities. The boat's deep-V hull design ensures a smooth and stable ride, even in choppy waters.

The helm station, located midship, is equipped with a comprehensive set of controls and navigation aids, including a large, easy-to-read compass, GPS-fishfinder, making it an excellent choice for serious anglers. The stainless-steel steering wheel and comfortable bench seat provides a commanding view of the water ahead.

Around the helm, you'll find multiple rod holders and ample storage compartments for tackle and gear. The open layout of the deck allows for unobstructed 360-degree access, which is ideal for fighting and landing fish from any angle. The boat also features a large live well, conveniently located near the stern.

The Shamrock 270 Open is powered by a single inboard, Sea Maxx engine. The engine compartment is easily accessible for maintenance. At the bow, there is additional seating with a cushioned bench, offering a comfortable spot for passengers to relax or enjoy the sun.

High gunwales and non-slip surfaces throughout the deck, the boat is also equipped with a sturdy hardtop, providing shade and protection from the elements, and it includes built-in rod holders for added convenience.

The overall build quality of the 2001 Shamrock 270 Open is robust, with a solid fiberglass hull and quality fittings. Its practical design, combined with thoughtful features for both fishing and leisure, makes it a great vessel for a day out on the water.
