Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Great Live-Aboard or Extended Cruising Potential!
Flybridge Motoryacht with Twin Detroit Diesels!
Westerbeke Generator! 2 A/C's!

Located in Clearwater (Tampa Bay), Florida, this
39-foot 1985 Roughwater Flybridge Cruiser
Motoryacht offers an affordable opportunity for
living aboard or cruising. Powered by twin 220 HP
Detroit Diesel \"Fuel Pincher Series\" engines with
freshwater cooling and paired with Twin Disc 2:1
reduction transmissions.

This vessel was purchased by the seller in 2021 and
utilized solely as a live-aboard. Now available due to
the owner's relocation after purchasing a home.

Designed for comfort and extended stays, the yacht
sleeps up to six passengers between the spacious

forward V-berth, convertible midship dinette sleeper, and salon sofa sleeper.

Enter the salon through the sliding door from the cockpit. The salon is a nice size and includes the lower helm station, mini-fridge, and access to very clean engine room. The galley, conveniently located down and to starboard, features ample counter space and is equipped with a microwave, refrigerator / freezer, toaster oven, and a single burner hot plate, making it perfect for onboard dining preparations.

The portside head compartment offers a sink, shower head, vanity, and toilet, providing essential amenities for onboard convenience. The interior is further enhanced by teak floors and trim, two air conditioning units, and upgraded LED cabin lighting that offers both white and blue ambient options.

The flybridge is a highlight, offering commanding views and comfortable seating with twin pedestal seats for the captain and passenger, additional bench seating, and a well-appointed helm station featuring twin Garmin displays, Course Keeper autopilot, and a T-Top with isinglass & canvas enclosure, ensuring comfortable cruising in various weather conditions.

Access aboard is facilitated through a swim ladder and transom door, with additional entry gates on both port and starboard sides for convenience and safety. Electrical power is delivered by a Westerbeke 4.4 KW freshwater-cooled generator, providing power for onboard systems when away from the dock. The yacht also includes practical features such as a windlass with a Fortress anchor and a second Danforth anchor chocked on the bow.

Canvas covers for the flybridge, upper helm station, and cockpit protect against the elements, preserving the yacht's nice condition. This Roughwater Flybridge Cruiser Motoryacht blends classic design with modern conveniences, making it an ideal choice for those seeking a comfortable liveaboard or a capable cruiser for extended voyages.

Please review all the pictures, the video, and the feature list provided. Then don't miss out on this opportunity to own this affordable and maintained Roughwater 37 Flybridge Motoryacht!
