Descripción:	 Stock #389663 Low Hours! Clean Condition with Twin 250 HP Rotax Engines. Calling all thrill-seekers and watersport enthusiasts! Carve up the waves in style with this 2018 Chaparral 2430 VRX Jet Boat! Chaparral thought of a lot of the little things that make this 2430 VRX more enjoyable to use and maintain. From the removable seats to allow ease of entry at both the front and rear of the boat, to the 7\" touch screen to control systems and more, to the Aerial Surf Platform with Ballast that makes surfing so much more enjoyable. The Aerial Platform redirects the thrust from the twin nozzles which makes the surface smooth, tall and a thrill to ride. With the twin 250-horsepower Rotax engines, you'll be able to fill the boat with up to 12 passengers and 	

still have the power to surf, board, and ski behind the boat.

Relax and unwind in the luxurious cockpit, featuring plush seating and Rear facing seats to enjoy the stereo system while hanging out. The Stereo remote at the stern can control the sound system, and there's a table mount at the rear for snacks when you're relaxing.

Other amenities included on the 2430 VRX are the enclosed head with a porta-potty that has a waste tank flush port, a bow ladder, a built-in cooler, and even the freshwater shower at the rear of the boat to clean off the beach sand.

The jet drive system eliminates the need for propellers or complex drivetrains, making maintenance a breeze.

This powerful and clean Chaparral is your ticket to unforgettable adventures on the water.
