Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Engines Run Great!!

2005 Glacier Bay 2680 Coastal Runner

This is a nice power catamaran design with quality construction by Glacier Bay. This Coastal Runner features an interior cabin with room for two to sleep very comfortably and a plumbed head.

The dual hull design with its wide beam, and high gunwales creates the perfect combination for a dry, stable ride, even in rough sea days.

The cockpit features a wrap-around windshield and side windows with a hardtop overhead with two opening ports.

The rear deck area has coaming pads for comfort, a huge live well and access to the integrated swim

platform. There are plenty of rod holders and two fish boxes are in the floor. This design allows you to walk around the sides to the bow with handrails.

The electronics were recently updated. There is a Garmin GPSMAPS 8612 xsv series 12\" touchscreen IPS multifunction display chartplotter-sonar combo with BlueChart G3 and Lakeview G3. A Garmin GT56UHD-TM Traditional CHIRP High wide / UHD Clear-side transducer. A Garmin GMR Phantom 24x White 50 watt Solid State Radar, 60 RPM, 8 Bit Color, Dual Range, Overlay Support, and a Garmin Reactor 40 Hydraulic Corepack with SmartPump with GHC 50 Autopilot that has not been installed yet.
