Excellent 220LX! Repowered with twin Honda 100 HP engines. Nicely refurbished. Loaded and ready to fish, dive or just cruise!

This is a refurbished 1999 Glacier Bay 220 LX.

The two Honda 100 VTEC engines were recently installed. They have never been in the water.

The two 30 gallon-fuel cells have been replaced with two 60-gallon aluminum fuel cells.

There is a newer Simrad fishfinder installed. Other updates include the controls, bilge pumps, and all instrumentation.

The hatches were replaced and the deck was re-glassed.

This boat has been commissioned by Oceanside Marine Center.

The included trailer had two axles replaced.

This is a rare find, a nicely updated Glacier Bay 220 LX!

Life circumstances have changed, and the seller is sadly needing to let this boat go after doing all the work and now not being able to use it.
