1969 Chris Craft

This 1969 Chris Craft 35

Commander Fly Bridge

styled in fiberglass had a

total Restoration between

2201 and 2004. The boat has new Awl grip paint, has a completely rewired 12 volt DC system and 110 AC system. There a 2 new 16,000 btu air conditioner systems, new twin 167 gal aluminum fuel tanks, 35 gal fresh water, marine toilet with built in macerator, holding tank with deck fitting. The upper and lower helm stations have separate shifters and throttles both with full instrumentation and hydraulic steering. The engines are twin GM 7.4l 454CID 350 hp each with closed cooling and only about 350 hours. The generator is 6.5 diesel with a heat shield and separate 20 gallon fuel tank. These are just a few of the upgrades. You must see this boat to appreciate.
