Electrical Equipment
Shore power inlet
Generator
Outside Equipment/Extras
Cockpit cushions
Cockpit table
Swimming ladder
Cockpit shower

Description

Tiara Yachts is proud to offer another beautifully designed and constructed yacht - the 4400. A gelcoat outer layer, high-performance tie-coat quadaxial fiberglass, balsa core, epoxy resin, and vacuum bag technology lay the groundwork for a yacht that's unsurpassed in quality and simple quiet elegance. The long, sweeping deck of the 4400 is constructed with a gelcoat outer layer, hand-laid fiberglass and balsa core with vinylester resin. The beautifully crafted, custom-curved composite windshield is seamlessly integrated with the hardtop of the 4400.

Behind the composite windshield, the 4400 incorporates a hinged helm console, with full engine instrumentation and an admiral full double-wide helm seat which is adjustable forward to aft, up and down. Intuitive design plus time-tested placement of gauges, throttles, and controls, ensure that being behind the helm is akin to a ride on cloud nine. The aft of the 4400 offers a standard swim platform, extending the 4400 by an extra 52 inches. This extra space provides room for a personal watercraft, an inflatable dinghy, and / or plenty of room for family and friends to enter and exit the water on a diamond patterned non-skid surface. Rear storage space is built-in and accessed through a hydraulically actuated fiberglass hatch. Belowdecks, the 4400 features plush leather seating, Corian countertops, stainless steel sink, abundant storage, and a built-in 22-inch flat screen TV with DVD technology. The lounge features a folding birds eye maple / teak table which converts to berth, increasing sleeping accommodations

to six. The master stateroom boasts a queen-size pedestal bed, with spring mattress, and storage below. The second stateroom not only comes with two overlapping, bunk style beds but also a combination washer / dryer. The second stateroom also has it's own access to the head.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Just Reduced and With Cat Power

2004 Tiara 4400 Sovran - Helm Airconditioning - CAT Power - Twin cabin express cruiser from the builders of the best cruising yachts on the market. This yacht offers a large salon with complete entertainment

center and a spacious galley. Forward, the ample owners stateroom with private head offers comfortable accommodations for the owners. Guests are well taken care of in the comodus double aft berth with separate guest head. Outside the seating and sunning areas are stunning with plenty of room for large or intimate parties. This yacht has it all: CAT power, fiberglass hardtop, all around vinyl enclosure with sliding aft door and airconditioning/heating for the control station. Tiara truly has defined comfortable cruising.
