#### Accommodations

The 670 is clearly the flagship of the Bertram fleet. At the tournament or at the dock, the Bertram 670 offers you and your guests a level of spaciousness and comfort found nowhere else. Whether you choose the traditional open fly bridge or the luxurious enclosed bridge, you'll enjoy all of the tournament-level fishing features -- including cockpit bait prep center, freezer, live well, fish boxes and trolling valves -- that others will envy. Bertrams are built to battle big seas that stop other boats in their tracks. The 670's legendary Bertram deep-V hull has been refined to not only slice through oncoming waves, but to also offer increased stability, better lift and straighter tracking.

**Optional Equipment** The Bertram 670 represents the ultimate in marine magnificence. Whether at anchor in Mykonos, Malta, Cabo, Costa Rica, Panama, Italy or cruising

to a far-flung Caribbean island at better than 34 knots, she is the envy of all who see her. The Bertram 670 is the crowning achievement of nautical leadership by Bertram Yacht. Her graceful lines hide surpassing richness of décor and amenities, a wealth of advanced technology and a host eminently practical features that make life aboard pure pleasure.
