gal

Nesya is a Motor Yacht designed by the world renowned Naval Architect, Bill Dixon. She is a highly customized 73' Johnson and a magnificent (4) stateroom Sport Motor Yacht with great styling and performance powered by (2) 1400 hp CAT diesels engines. Whether traveling to local islands or long distance, she is set up for comfortable cruising and entertaining. She has (4) double private cabins for owners and guests and a complete crew cabin on the forehead. There are (4) heads of which (3) have stall showers. From her fly bridge seating with tables, aft deck seating with table, main salon and dinette (across from the galley) with tables, Nesya has many areas for accommodating both small or large groups for dining or just casual conversation. She has always been captain maintained and she is in excellent condition. Her tender is a Novurania DL365 tender powered by a Yamaha Outboard 40 HP.
