Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2690 Coastal Runner powered by twin Mercury
150's with low hours!

Go Fishing Now with this well-kept 2001 Glacier
Bay 2690 with two newer Mercury 150s.

The owner really enjoys the stability on a rough
ocean. He likes how it takes the wind chop down
and cuts through the slop so well.

The two 90-gallon tanks help with the fuel range for
Tuna runs. The owner does not know the fuel
consumption but says that the fuel economy seems
to be good with using about 70 gallons for a full day
of fishing.

You may enjoy the windlass when you are closer in.

This is a strong fisher.
