Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

1974 Laguna , 2 Detroit diesel engines. make beautiful memories in this classic boat.

The 1974 Laguna 38 Sportfish built Grand Banks is a unique design and known for being a well-built sportfish. The Laguna is equipped with twin diesel engines, two staterooms, and a roomy salon providing comfortable living accommodations. The hull is said to perform magnificently in big water. If you're looking for a fishing platform and/or a cruiser, the Laguna is a special design and rare boat that deserves consideration.

The 1974 Laguna 38 Sportfish aft deck has a closed transom with a swim platform. There are storage lockers in either corner, a freshwater washdown, and a ladder that leads to the flybridge.

The flybridge has a canvas cover and sports a radar

arch. Seating consists of a center bench seat with forward and aft facing bench seats to port and starboard. There is a convenient pull-out table behind the center helm seat.

A set of sliding glass doors separates the aft cockpit from the salon area.

Stepping through the salon entry doors you'll find a sofa to port. The starboard area currently has a small table.

The helm has a large bolster seat so you can navigate from a myriad of conditions.

The helm dash contains the gauges to monitor the operation of the boat along with controls and switches to work all the systems.

The galley located to port contains a refrigerator, a stove, stainless-steel sink, and a microwave. There is also drawer and cupboard storage for provisions and utensils.

Heading forward down a set of steps you'll find a mid-cabin stateroom to port, the enclosed head to starboard and the forward stateroom at the end of the companion way.

The mid-cabin stateroom is equipped with bunkbeds, a mirror with dresser drawers at both ends of the cabin, and a hanging locker.

Across the hall is the enclosed head that features a flush toilet, a sink with vanity cabinets below, a medicine cabinet and compartment storage, and a shower stall.

The forward stateroom is configured with elevated berths with storage drawers beneath each. There are hanging lockers to each side of the forward stateroom.

A hatch above lets in natural light and can be opened to allow in fresh air.
