Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Custom built trimaran! Designed to get on the water  
and cruise!

Arthur Piver Trimaran design, custom-built by two  
owners: the first owner completed the hulls and the  
second owner completed the connecting \"aka's\",  
the cabin, and everything else.

Sails are older but have not been used much and are  
still in great shape. Includes 2 mains, and 2 jibs!  
110% Genoa was new in 2017! Also includes a  
spinnaker that was not used at all by the owner.

There is a fridge, stereo, and a ship-to-shore VHF  
radio.

Evinrude outboard is a 15HP with low hours. There  
is no hour meter but the seller says it is definitely  
under 100 hours on this 2 stroke motor.

The owner states that she moves well on the water  
and everything is in working order!
