At 26' 6" in length, and with the open bow layout, this Regal 26 FasDeck is a great boat for any size lake or river. It has been a freshwater boat its entire life to this point, although the manufacturer specs do indicate it is a saltwater-capable boat.

Powered by the Volvo Penta V8 rated at 300 HP with dual counter-rotating prop, the boat has plenty of power to get you where you want to go as well as for towing and a variety of watersports.

The 26 FasDeck has extra-wide bow seating and lounge-style seating in the cockpit so everyone can stretch out for a great day on the lake.
