This Classic Flybridge has new engine blocks installed in 2006, they only have 100hrs on them!

This classic flybridge Sea Ray features Mercruiser 7.4 engines with only 100 hours on 2006 blocks and the batteries are new! Surprisingly every manual is accounted for and in great shape for reference.

This boat will accommodate you're fishing and cruising needs. She comfortably sleeps four between the air-conditioned salon and cabin without an issue when the dinette table is converted to a bed. The spacious bridge allows for passengers to join the captain and keep company while cruising and there is plenty of room in the cockpit for a few friends to move around and reel in the big fish!

The bow of the boat has plenty of space to layout and soak up sun. She served her last family well.

This boat is ready for new owners and a day on the bay or wherever you may decide to cruise! It is docked at a private dock right next door to where it was serviced regularly.
