Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

engines. XPS anti-corrosion coat applied to engines
parts and jet drives.

***** CERTIFIED SINGLE
OWNER *****

A single owner boat with only 20 hours on the twin
Rotax supercharged engines. The twin 200 Rotax jet
engines are equipped with Intelligent Neutral &
Reverse and lateral thrust control, making this boat
very versatile(it can turn on a dime) and quickly get
up on a plane. Has all the remaining original factory
transferable warranties.

The boat has been meticulously maintained by the
owner with application of XPS anti-corrosion coat
applied to engine parts and jet drives after each use,

a galvanized trailer with GatorHyde protection, a closed-loop engine cooling system and salt water exhaust flush. The hull includes a Gtechniq Marine ceramic coat.

Can accommodate up to 10+ people comfortably and has an enclosed stand-up changing room with a porta-potty. The bow has a seating package and can convert to a daybed and as well as one on the stern. Has plenty of locker storage with two 36 quart Igloo coolers under bow seats. Has soft marine mats bow to stern with easy snap-in/out for cleaning. Has both bow and stern ladders and a convenient drop down transom with a ladder for added space and easy on/off. Sail shade at the bow is included.

Electronics include a 4-speaker stereo w/AM/FM with Bluetooth connectivity. Touchscreen command center with digital displays for engine performance, drive modes and cruise control, depth, navigation (GPS), compass, digital speed control package and LED lights throughout, including under the water.

There are many After-market additions too numerous to mention here but can be provided to a serious Buyer.

This boat has all the bells and whistles and could provide you with many years of fantastic service for cruising, fishing and sandbar sessions for bay as well as offshore use.
