Let's dive into what makes this Boston Whaler truly
stand out:

Recent replacements of all water pumps ensure
optimal performance, while regular oil changes have
been maintained, the owner confirms. Whether it
was stored in a secure garage or safely docked at a
harbor, this Boston Whaler has enjoyed a pampered
life. It has been stored under cover, shielding it from
the elements and preserving its current state. No
more worries about weathering--this boat is ready to
hit the water.

This Boston Whaler has a recently added cover, only
a year old and free from sun fading, ensuring your

boat remains protected even during extended periods of non-use. Recently installed windshield wipers provide enhanced visibility during those unpredictable rainy or misty days.
