Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Carver 350 Mariner is a versatile motoryacht, Plenty of space as a liveaboard!

1998 Carver 350 Mariner powered by twin Mercruiser 350 MAG MPI at 300 HP each. Inboards with V-drive.

THIS BOAT IS SITTING ON THE HARD SINCE OCT 2021.

The most recent survey shows typical issues for a boat of this age.

Be sure to speak to your sales consultant about this boat prior to setting up a showing. The boat needs TLC.

A survey is on hand that shows the issues that were resolved by owner #3 during his time of owning the boat from JAN 2020 - OCT 2021.

That owner got back into sailing and purchased a sailboat through Pop Yachts which is how this boat came back on the market.

A recent visit to the boat (July 2, 2023) shows signs of moisture in the cabin such as mold on the portside upholstered wall under the window. Most likely due to being closed up in a humid environment.

So the boat will need a deep cleaning to the interior.

The boat needs TLC - it is not a total project and is do-able for the right person.

YES!! A/C AND GENSET! The genset is still glitchy and will need to have a mechanic take a look.

ABOUT CARVER 350 Mariner

1998 was the year Carver went all in and added distinctive curves and lines to make the boat more contemporary.

The 350 offers a great space for entertaining your guests. Check out the extra space provided by a broad beam at 12'9".

Note the extra-wide gunnels for safe and easy maneuvering up to and around the foredeck.

You will appreciate the access to the upper helm from either port or starboard molded stairs or from the cabin itself in case of bad weather.

COMMAND BRIDGE

The spacious upper helm is a great spot for everybody to gather with the captain. Generous seating for 11 guests.

Enjoy conversation around the removable table and easy access to snacks and beverages at the wet bar complete with a mini fridge in the cockpit.

A really cool spot onboard is the double-wide foredeck lounge that converts to a sun pad.

SELF BAILING COCKPIT

Need a spot to enjoy your conversation? Head down to the lower cockpit. Take a dip from the swim platform with easy access through the transom door and down the swim ladder.

IN THE CABIN

Below deck is a single level cabin with an abundance of windows that let in plenty of light. It's a spacious salon with an entertainment area complete with a TV and stereo system.

This area sleeps an additional four guests on the sleeper sofa and convertible dinette.

Portside is the galley with sink, twin electric burner stove top and built-in coffee maker. The refrigerator is dual voltage.

Forward is the master double berth and private access to the head with a flush toilet and stand alone shower and sink with vanity.

Note the generously sized shower stall in the head!

Cabin headroom 6'3"

There is a new camper canvas and eisenglass as well as cockpit canvas
