Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

1989 HI STAR. Twin Cat Diesels. Ready for the
next adventure.

The Hi-Star 48 Sundeck was a popular and
reasonably-priced boat during her production years.

Inside, the Hi-Star 48 has an all-teak interior, and
lots of living space and storage. There are two
staterooms, one with a queen-sized bed, and the
other with bunk beds.

The galley is down, with lots of space, and features a
3-burner stovetop and oven, a microwave, a double
sink in the galley, a refrigerator, and a separate
ice-maker.

There's also a wet bar above the galley, in the main
salon area, along with a dinette table and chairs, and
a sofa-sleeper. The seller installed LED lights in the
main salon.

There are two heads, connected by a separate shower.

Outside, the wide side decks provide easy access to the large foredeck (which comes with soft chairs and a full pad for lounging. Additional features include a hardtop, molded bow pulpit, aft deck wet bar, and a large, easy-to-access engine room.

This vessel also comes with many spare parts, too many to list, including a spare motor for parts.

This vessel performs well with the standard 375 HP Cats, cruising at about 18 to 19 MPH, burning about 15 gallons per hour at cruising. Top speed is about 25 MPH.
