The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. 1978 CAPE DORY 25 SAILBOAT, MERCURY 6
OUTBOARD, READY TO SAIL

Cape Dory has a reputation for building tough sailing vessels for serious sailors. This 25 footer is seaworthy and great for cruising. The twin berths in the salon sleep two comfortably and there is also a forward vee berth for two more.

The cabin also has a sink and stove and a portable table that can be used for dining or can be stowed away.

The cockpit is surprisingly large for this length boat. Sail lockers are underneath both the port and starboard seats.

Power is provided by a Mercury six horsepower engine with approximately 10 hours.
