Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. Clean Baja w/ 335 HP Racing Motor

The Baja Sport 220 was a very stylish looking and very high-performing hull when it was made between 1983 & 1990 that was never again produced by any manufacturer.

The ride can be a bit rough in choppy water but on a nice day it could hit a smooth 96 and cut turns at 60 mph even though the hull is only made for speeds up to 80 mph. The 220 can also be a great pull rig for tubing etc

This particular Sport 220 is equipped with the larger 7.5L 335 HP King Cobra engine and outdrive setup.
