Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Great Buy on this two-owner Sea Ray 305 Sedan Bridge with twin 454s, Bimini and room for the Whole Crew!

The 1988 Sea Ray 305 boasts spacious interior accommodations and is built on a solid fiberglass hull with propeller pockets and a wide 12-foot beam. Despite its size, this boat has plenty of room for its occupants, featuring a midcabin stateroom located beneath the dinette, as well as a roomy salon with a full-size galley.

The forward stateroom's athwartships double-berth arrangement is innovative in its space utilization, and the concealed galley is particularly attractive. The head is conveniently located aft in the salon, just inside the companionway door. While the cockpit is compact, the extended flybridge is surprisingly large, offering plenty of space for

socializing and relaxing. Powered by Crusader gas engines, the Sea Ray 305 Sedan Bridge can cruise at speeds in the low 20s and reach a top speed of around 28 to 29 knots.
