Yamaha design and Yamaha quality are evident in this 190 FSH. An angler's version of their popular 19-foot jet boat, it has added fishing features including a live well, rod holders and tackle storage.

During trips when fishing is not the main objective, there is still a lot to enjoy on this 190 FSH. The dual swim platform provides easy access to the water for swimming and watersports and is also a nice spot to relax.

Comfortable seating for eight passengers allows the captain to bring along friends and family. There is

also room in the center console for a portable toilet and a privacy curtain.

Jet drive with an 18-inch draft for shallow water navigation. Bottom paint for extended dockage.
