The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Classic Aquasport 222 Fishing Machine. Yamaha
300 Power

This 1972 Aquasport 222CC is a great example of a classic Fishing Machine. Boats like this represent a period when hull strength and longevity were important.

The owner has put a lot of effort into not only maintaining, but upgrading so many aspects of the boat, including: Stainless marine bracket, custom transom rebuild, a 300 HP Yamaha 2-stroke engine, replaced the center console, rewired boat and electronics, Garmin Echomap CCV, steering, replaced the 53-gallon tank and lines.

Today's boats are not built like they were in the 70s!

The 2019 trailer is included in the boat sale.

The boat is used regularly in the Florida keys. At the

end of the day, the best boat to buy is the boat that has been well maintained and most importantly regularly used - this one checks all the boxes!

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
