The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

150 HP MERCURY WITH LOW HOURS!!!  
TRAILER INCLUDED!!! READY FOR THE  
WATER!!

2017 Stingray 206CC with 4-stroke motor and trailer. Great all-around family boat - perfect for fishing, water sports or just hanging out.

The boat is reported by the owner to have extremely low hours. With a live well, loads of rod holders and storage as well as open deck space to get around, she is a perfect small fishing platform. Fold down seats and add casting platforms for easy egress when desired.

With seating for 9, there is room for everyone when it's family fun time. The Mercury 150 HP 4-stroke engine gives you plenty of power to pull tubes or

skiers and will burn a low 6 gallons an hour at 3500 RPM.

Included in the purchase price is a 2017 EZ Loader trailer. With a dry weight of 2700 pounds, the boat should be towable by most mid-size SUVs and pickups - check your manual to be sure.
